Exclusive Sephora pop-up opens at Claremont Quarter David Jones

Claremont Quarter has revealed an exclusive Sephora pop-up has arrived at its David Jones store – the only location in Western Australia to house the luxury brand.

Beauty fans will love the highly anticipated Sephora Christmas Gift collections featuring skincare and beauty must-haves from leading brands such as Huda Beauty, Becca Cosmetics and Fenty Beauty, as well as the bestselling Sephora Collection.

The Christmas collections will give WA shoppers access to global beauty trends and popular brands for a limited time only - the pop-up shop will be available in David Jones until January or when stock runs out.

Hawaiian General Manager of Shopping Centres Scott Greenwood said that the pop-up Sephora in Claremont Quarter David Jones will give Perth beauty fans the chance to get their hands on leading international cosmetic brands.

“We are proud we can assist our retailers offering international brands to Claremont Quarter shoppers,” Mr Greenwood said.

“The pop-up Sephora has arrived in David Jones just in time for people to start their Christmas shopping. It will also be warmly welcomed by those who love the Sephora brand but until now have only been able to access products online or interstate.”

The Sephora pop up is located in the Beauty Section of David Jones Claremont Quarter, which is on Level One.

The full range of Sephora Gift Packs are now available in store and will be stocked until January 2020 or stock runs out.
